Dear Dr. Karunakar Reddy garu,

Subject: Appreciation for Support in Strengthening Digital Education and Telemedicine in Adilabad District

On behalf of the Adilabad District Administration, I wish to express our heartfelt appreciation to you and the **Swashodhan Trust** for your continued support in enhancing the quality of life in our rural communities through your impactful interventions in digital education and healthcare.

Your initiative in providing **digital classroom infrastructure to seven government schools** has played a vital role in bridging the educational divide between urban and rural students. These digital classrooms have not only introduced students to modern learning environments but also significantly improved their access to interactive, technology-enabled educational content. The partnership with Swashodhan Trust has given a much-needed boost to our efforts in improving learning outcomes in tribal and remote areas.

Equally commendable is your support in establishing a **Telemedicine Clinic at Tosham village**, which has brought quality, preventive, and primary healthcare closer to the doorstep of rural families. By leveraging technology and maintaining electronic health records, the clinic has set a benchmark in delivering consistent and effective medical services to underserved populations. The fact that these services are offered on a **non-profit basis** further underscores the commitment of Swashodhan Trust toward equitable rural development.

We deeply value the **vision, dedication, and social commitment** demonstrated by your Trust. Your contribution has greatly supported our efforts to strengthen essential public services and promote inclusive development in the district.

We look forward to continuing this collaboration and scaling up these impactful initiatives to more habitations in the coming months. Your support continues to be an inspiration to many, and it is our hope that this partnership will further deepen in the years ahead.

Thank you once again for your generous and sustained support to the people of Adilabad.

Yours faithfully,

District Collector, Adilabad
